Mr. C. W. Kimbrough,
Talbotton. Ga.

Dear Sir;

I have been attempting to trace the family and burial place of William Vines Collier that was said to have lived in Talbot County back in the sixties and seventies. He was raised in Upson County, Georgia and was the brother of Robert M. Collier at The Rock, Ga. To the best of my recollection his wife was a Raines and he had a sister that married Frances Evans of Columbus, Ga. and another that married a Minafee over in that section. What I am after is to obtain the burial place of this party in order to complete our family records and about the date of his death. If I remember correctly my Father told me he had no children at all.

Could you assist me in any way? Enclosed find stamped envelope for reply.

Very respectfully,

J.C.Collier.

Dear Sir
I have failed to find out anything about the person referred to. I knew a Mr Vines Collier who died in this County about 1888 or 89 & was buried in Talbot Valley at Evans Chapel Church. Now I have learned that there is an old home here in Town that I have heard was called the Collier Home in fact my grandfather Dozier bought this home but cannot find out what ever became of him, Dare cannot give you the desired information
